OKash, one of the most popular microlending applications in Kenya, won the award as the best Mobile Loan Platform of 2019 at the 3rd Digital Tech Excellence Awards in Nairobi, Kenya.

The banner features the OKash logo on the left. The main text reads: "OKash wins Mobile Loan Platform of 2019 At the 3rd Digital Tech Excellence Award". On the right, a smartphone displays the app's "Processing" screen. The screen shows a green alarm clock icon, the text "Total Amount KES 2,500", and a note: "We normally disburse in 2 mins. However, it may be delayed due to the M-Pesa S12c api failure." Below this is a "Loan Details" table:

Loan Details	
Disbursement date*	04 Dec 2019
Due date*	18 Dec 2019
Disbursed	KES 2,125
Origination fee	KES 375
Repayment	KES 2,500

* please note that the disbursement date and due date may be subject to change

At the bottom left of the banner is the "3RD DIGITAL TECH EXCELLENCE AWARDS" logo.

The award recognizes the outstanding positive impact the microlending app has had on the everyday life of its users in Kenya.

OKash is an innovative mobile microlending application that enables easy, fast and secure access to short term loans. The app-based service utilizes artificial intelligence (AI) technology to analyze the purpose of the loan as well as the repayment behavior of the user.

OKash offers competitive interest rates for short term micro loans and is growing its success with increasingly cheaper interest for repeat customers.

"OKash is providing a faster, easier and more secure loan process, where people spend less than two minutes to get a loan processed." said Peter Kaiga, Ag. Manager & Head of Analytics at OKash. *"We are proud to receive the award for the best mobile loan platform of 2019 and we are thankful to everyone who voted for us to receive this prestigious award."*

OKash makes it easy for Kenyans to access credit anytime, anywhere. The popular OKash app is ranked among the most popular applications in Kenya, with an above 4 star average user rating in Google Play. OKash belongs to the Opera Group and is providing its services in Kenya and Nigeria.
