State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-CEN, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Company is filing this Form 12b-25 with the Securities and Exchange Commission (the "SEC") to postpone the filing of its Annual Report on Form 20-F for the fiscal year ended December 31, 2020 beyond April 30, 2021, the prescribed due date for such filing.

As indicated in Company's first quarter 2021 earnings release dated April 27, 2021, the Company is in an advanced stage of preparing the annual report, including consolidated financial statements for the period ended December 31, 2020. The Company's investee, Nanobank, is conducting its first annual closing of IFRS figures across all of its active markets, and the related external audit under PCAOB auditing standards, upon which we rely in finalizing our reporting on Form 20-F. Nanobank's location in India has in particular seen closing process impacts from the local COVID-19 resurgence which have affected both Nanobank's staff and its external audit team, resulting in significant delays in completing all required processes. Due to the foregoing, Nanobank has not been able to complete its reporting to the Company, with the result that the Company has been unable to finalize its consolidated financial statements within the prescribed time period for Form 20-F. The Company expects to file its Form 20-F on or before the fifteenth calendar day following the prescribed due date.
