Item 3. Source and Amount of Funds or Other Consideration

Item 3 of the Original Schedule 13D is not amended by this Amendment.

Item 4. Purpose of Transaction

Item 4 of the Original Schedule 13D is hereby amended and supplemented by adding the following at the end thereof: "Pursuant to the Stock Purchase Agreement described in Item 6 of the Schedule 13D, the Issuer purchased Ordinary Shares from KTL at two closings following the initial closing on March 26, 2026. On June 26, 2026, the Issuer purchased 665,995 Ordinary Shares from KTL in respect of the Applicable Quarter ended June 15, 2026. On September 22, 2026, the Issuer purchased 1,134,770 Ordinary Shares from KTL in respect of the Applicable Quarter ended September 15, 2026. Following these closings, the Reporting Persons beneficially own 59,280,804 Ordinary Shares, representing approximately 67.9% of the outstanding Ordinary Shares. As described in Amendment No. 8 to this Schedule 13D, the number of Ordinary Shares sold by KTL at each closing is determined in accordance with Annex A to the Stock Purchase Agreement so as to be proportionate to the ADSs repurchased by the Issuer in the open market during the corresponding Applicable Quarter. Accordingly, the dispositions described above have not resulted in any material change in the Reporting Persons' proportionate ownership interest in the Issuer. The purpose of these dispositions remains, as previously reported, to allow KTL to realize liquidity through participation in the Issuer's share repurchase program on a pro rata basis while the Reporting Persons generally maintain their approximate proportionate ownership interest in the Issuer. The Reporting Persons expect that KTL will sell additional Ordinary Shares to the Issuer at subsequent closings under the Stock Purchase Agreement, in amounts determined in accordance with Annex A thereto, for so long as the Stock Purchase Agreement remains in effect and the Issuer continues to repurchase ADSs under its share repurchase program. Except as set forth in this Amendment, the Original Schedule 13D and the Stock Purchase Agreement, the Reporting Persons have no present plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons intend to review their investment in the Issuer on a continuing basis and, depending upon various factors, including market conditions, the Issuer's business and financial position, and other investment opportunities, the Reporting Persons may take such actions with respect to their investment as they deem appropriate, including purchasing additional Ordinary Shares, disposing of Ordinary Shares, or engaging in discussions with management or the Board of Directors of the Issuer."

Item 5. Interest in Securities of the Issuer

The information contained on the cover pages to this Amendment is incorporated herein by reference. As of September 22, 2026, the Reporting Persons beneficially own in the aggregate 59,280,804 Ordinary Shares, representing approximately 67.9% of the outstanding Ordinary Shares. All percentages calculated in this Amendment are based upon 87,311,171 Ordinary Shares outstanding as of September 22, 2026, based on information provided by the Issuer.

(a) The information regarding the number of Ordinary Shares as to which each Reporting Person has the sole power to vote or direct the vote, the shared power to vote or direct the vote, the sole power to dispose or direct the disposition, and the shared power to dispose or direct the disposition, is set forth in Rows 7 through 11 of the respective cover pages of this Amendment for each Reporting Person, and is incorporated herein by reference.

(b) On September 22, 2026, pursuant to the Stock Purchase Agreement described in Items 4 and 6 of the Schedule 13D, KTL sold 1,134,770 Ordinary Shares to the Issuer in a privately negotiated transaction for aggregate consideration of approximately \$21.4 million, representing a Dividend Adjusted Average Price of \$18.82 per Ordinary Share determined in accordance with Annex A to the Stock Purchase Agreement. In addition, although effected more than 60 days prior to the date hereof, on June 26, 2026, KTL sold 665,995 Ordinary Shares to the Issuer in a privately negotiated transaction pursuant to the same agreement for aggregate consideration of approximately \$10.7 million, representing an average price of \$16.01 per Ordinary Share. This transaction is disclosed for completeness and to permit reconciliation of the number of Ordinary Shares reported herein to the number previously reported in Amendment No. 8 to this Schedule 13D. Except as disclosed in this Item 5(c), none of the Reporting Persons has effected any transactions in the Ordinary Shares of the Issuer during the past 60 days.

(c) No person other than the Reporting Persons is known to have the right to receive, or the power to direct the receipt of dividends from, or proceeds from the sale of, the Ordinary Shares reported herein.

(d) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

Item 6 of the Original Schedule 13D is hereby amended and supplemented by adding the following at the end thereof: "The information set forth in Items 4 and 5(c) of this Amendment is incorporated herein by reference. The Stock Purchase Agreement dated March 24, 2026, between the Issuer and KTL, which was described in Amendment No. 8 to this Schedule 13D, remains in full force and effect and has not been amended, modified or terminated. Pursuant to the Stock Purchase Agreement, KTL is obligated to sell to the Issuer, with respect to each Applicable Quarter (as defined therein), a number of Ordinary Shares determined in accordance with Annex A thereto, at a purchase price equal to the Dividend Adjusted Average Price calculated in accordance with Annex A. The closings described in Item 4 of this Amendment were effected in accordance with those terms. The foregoing description of the Stock Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Stock Purchase Agreement, filed as Exhibit 99.5 to Amendment No. 8 to this Schedule 13D and incorporated herein by reference. Except as set forth in this Amendment and the Original Schedule 13D, none of the Reporting Persons has any contract, arrangement, understanding or relationship (legal or otherwise) with any person with respect to any

securities of the Issuer, including but not limited to the transfer or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies."
